

Wedding Day Dances

Our studio provides wedding dance preparation for all kinds of dances. We teach first dances (bride/groom, bride/bride, groom/groom), bride-and-father, groom-and-mother, bride-and-bridesmaid, groom-and-groomsmen, and more. All levels are welcome and no prior dance experience necessary.

Whether you are looking for a soft, slow waltz or an upbeat production with props, we got you covered! Give us a call or send us an email and let us help make your day even more memorable.
